CITY CHARTER AND AMENDMENTS.

I. By an act of the legislature of Massachusetts, passed on the twenty-third day of February, eighteen hundred and twenty-two, it was provided that the inhabitants of the town of Boston for all purposes, for which towns were by law incorporated in this commonwealth, should continue to be one body politic, in fact and in name, under the style and denomination of the City of Boston, and as such should have, exercise and enjoy, all the rights, immunities, powers and privileges, and should be subject to all the duties and obligations, then incumbent upon and appertaining to said town, as a municipal corporation. The legislature reserved the right to amend or alter this act whenever they might deem it expedient; and it was to be void unless the inhabitants of the town at a legal meeting should determine to adopt the same within twelve days. It was adopted on the fourth day of March in the same year, and the town immediately became a city.

II. The administration of all the fiscal, prudential, and municipal concerns of the city, with the conduct and government thereof, is vested in one principal officer, to be styled the mayor, one select council, consisting of eight persons, to be denominated the board of aldermen, and one more numerous council to consist of forty-eight persons, to be denominated the common council; which boards in their joint capacity are denominated the city council—together with such other boards of officers as are hereinafter specified.

cers.
1821, 110, § 1.

III. By the second section of the city charter it was made the duty of the selectmen of Boston, as soon as might be after the passing of the act, to cause a new division of the town to be made into twelve wards, in such manner as to include an equal number of inhabitants in each ward, as nearly as conveniently might be, consistently with well defined limits; including, in such computation of numbers of

inhabitants, persons of all descriptions, and taking the last census, made under the authority of the United States, as a basis for such computation. Power was given to the city council, from time to time, not oftener than once in ten years, to alter such divisions of wards, in such manner as to preserve as nearly as might be, an equal number of inhabitants in each ward. This last provision has recently been amended, to the effect, that the division of the city into wards is to be so made as to include an equal number of *legal voters* in each ward.

Warden and clerk.

Absence of warden or other officers.

1845, 217, § 3, (Adopted by city council, Oct. 6, 1845. City Records, vol. 23, p. 406.)

IV. On the second Monday of December annually, the citizens qualified to vote in city affairs are required to meet within their respective wards, at such time and place as the mayor and aldermen may by their warrant direct and appoint; and the said citizens shall then choose by ballot one warden and one clerk, who shall be resident in said ward, who shall hold their offices for one year, and until others are appointed in their stead. It shall be the duty of the warden to preside at all meetings of the citizens of the ward and to preserve order therein. It shall be the duty of the clerk to make a fair and true record, and keep an exact journal of all the acts and votes of the citizens, at the ward meetings; to deliver over such records and journals, together with all other documents and papers held by him, in his said capacity, to his successor in office. In case of the absence of the warden at the opening of any annual meeting it shall be the duty of the clerk to call the citizens to order and preside until a warden is chosen by ballot.¹ If at any other meeting the warden be absent, the clerk is to preside until a moderator or warden *pro tempore* shall be chosen, which may be done by nomination and hand vote if the clerk so direct. The act of 1845, ch. 217, § 3, provides, however, that in case of the absence of any or either of the ward officers at any meeting, for elections, or other purposes, such office may be filled *pro tempore*, by the legal voters present,

¹ This was the original provision in the charter, but the fair inference from the act of 1845, ch. 217, § 3, which is incorporated in the text, is, that any ward office in case of absence may be filled *pro tempore*, by nomination and hand vote, if the voters present so determine.

which may be done by nomination and hand votes, if the voters present so determine. At the same meeting five inspectors of elections are to be chosen for the ward, being residents therein, by ballot, to hold their offices for one year. It shall be the duty of the warden and inspectors in each ward, to receive, sort, count, and declare all votes, at all elections within such ward. And the warden, clerk, and inspectors, so chosen, shall respectively be under oath, faithfully and impartially to discharge their several duties, relative to all elections; which oath may be administered by the clerk of such ward, to the warden, and by the latter to the clerk and inspectors, or by any justice of the peace of the county of Suffolk; and a certificate of such oath's having been administered shall be entered in the record or journal, to be kept by the clerk of such ward.

V. The warden, or other presiding officer of a ward meeting, shall have full power and authority to preserve order and decorum therein, and to repress all riotous, tumultuous, and disorderly conduct therein, and for that purpose call to his aid any constable, or other peace officer, and also to command the aid and assistance of any citizen or citizens, who may be present: and any peace officer, or other citizen, neglecting or refusing to afford such aid, shall be taken and deemed to be guilty of a misdemeanor. The warden shall also have power and authority, by warrant, under his hand, to cause any person or persons who shall be guilty of any riotous, tumultuous, or disorderly conduct at such meeting, to be taken into custody, and restrained: *Provided, however*, that such restraint shall not continue after the adjournment or dissolution of such meeting: *And Provided, further*, that the person, so guilty of such disorderly conduct, shall be liable, notwithstanding such restraint, to be prosecuted and punished, in the same manner, as if such arrest had not been made.

VI. The citizens qualified to vote in city affairs, at their respective ward meetings, to be held on the second Monday in December annually, shall be called upon to give in their votes for one able and discreet person, being an inhabitant of the city, to be mayor of said city, for the term of one

year. And all the votes so given in, in each ward, being sorted, counted, and declared by the warden and inspectors of elections, shall be recorded at large, by the clerk, in open ward meeting: and in making such declaration and record, the whole number of votes or ballots, given in, shall be distinctly stated, together with the name of every person voted for, and the number of votes given for each person respectively; such numbers to be expressed in words at length: and a transcript of such record, certified and authenticated by the warden, clerk, and a majority of the inspectors of elections for each ward, shall forthwith be transmitted or delivered by such ward clerk, to the clerk of the city. And it shall be the duty of the city clerk, forthwith to enter such returns, or a plain and intelligible abstract of them, as they are successively received, upon the journal of the proceedings of the mayor and aldermen, or some other book to be kept for that purpose. And it shall be the duty of the mayor and aldermen to meet together within two days after such election, and to examine and compare all the said returns, and to ascertain whether any person has a majority of all the votes given for mayor; and in case a majority is so given, it shall be their duty to give notice thereof, in writing, to the person thus elected, and also to make the same known to the inhabitants of said city. But if, on such said examination no person appears to have a majority of all the votes given for mayor, the mayor and aldermen for the time being, shall issue their warrants for meetings of the respective wards, for the choice of a mayor, at such time and place, as they shall judge most convenient; and the same proceedings shall be had in all respects, as are herein before directed, until a mayor shall be chosen by a majority of all the voters voting at such elections. And in case of the decease, inability, or absence of the mayor, and the same being declared and a vote passed by the aldermen and common council, respectively, declaring such cause, and the expediency of electing a mayor, for the time being, to supply the vacancy thus occasioned, it shall be lawful for the aldermen and common council to meet in convention, and elect a mayor to hold the said office until such occasion shall be removed, or until a new election.

No choice.

Decease, inability or absence of mayor.

VII. Whenever, on examination by the mayor and aldermen of the returns of votes given for mayor at the meetings of the wards holden for the purpose of electing that officer, last preceding the first Monday of January, in each year, no person shall appear to have a majority of all the votes given for mayor, the mayor and aldermen, by whom such examination is made, shall make a record of that fact, an attested copy of which it shall be the duty of the city clerk to produce and read, on the first Monday of January, in the presence of the members returned to serve as aldermen and common councilmen; and thereupon the oaths prescribed by law may be administered to the members elect by any one of the justices of the supreme judicial court, or any judge of any court of record holden in said city, or by any justice of the peace for the county of Suffolk; and thereupon the members of the board of aldermen shall proceed to elect a chairman, and the common council a president, in their respective chambers, and being respectively organized, shall proceed to business in the same manner as is provided in the seventeenth section below, in case of the absence of the mayor:—and the board of aldermen shall forthwith issue their warrants for meetings of the citizens of the respective wards, for the choice of a mayor, at such time and place as they shall judge most convenient; and the same proceedings shall be had, in all respects, as are directed in and by the provisions of the preceding section and repeated from time to time, until a mayor shall be chosen, by a majority of all the voters voting at such elections.

Proceedings in case of no choice of mayor before the commencement of the municipal year. 1830, 7, § 1. (Adopted by citizens, June 16, 1830. Boston Records, vol. 10, p. 516.)

VIII. In case any person elected mayor of the city shall refuse to accept the office, the same proceedings shall be had in all respects, as are hereinbefore directed in cases wherein there has been no choice of mayor, until a mayor be chosen by a majority of votes. And in case of the unavoidable absence by sickness or otherwise, of the mayor elect, on the first Monday in January, the city government shall organize itself in the mode herein before provided, and may proceed to business in the same manner as if the mayor were present.

IX. Whenever it shall appear, by the regular returns of the elections of the city officers, that a mayor has not been chosen, or that a full board of aldermen has not been elected, such of the board of aldermen, whether they constitute a quorum or not, as may have been chosen, shall issue their warrant, in usual form, for the election of a mayor, or such members of the board of aldermen as may be necessary, and the same proceedings shall be had and repeated, until the election of a mayor and aldermen shall be completed, and all vacancies be filled in the said board; and in case neither a mayor nor any alderman shall be elected at the usual time for electing the same, and after the powers of the former mayor, and mayor and aldermen, shall have ceased, it shall be the duty of the president of the common council, to issue his warrant, in the same manner as the board of aldermen would have done, if elected, and the same proceedings shall be had and repeated, until a mayor, or one or more aldermen, shall be elected.

X. In case of the non-election of a mayor, the chairman of the board of aldermen shall discharge all the duties incumbent on the mayor of the city, prescribed by the city charter, or any other law, or any ordinance of the city, which now or hereafter may be required of him, until a mayor shall be chosen and duly sworn to the discharge of his duties; and such chairman, with the board of aldermen, shall discharge all the duties incumbent on the mayor and aldermen.

XI. And it shall be the duty of the mayor to be vigilant and active at all times, in causing the laws for the government of said city to be duly executed and put in force; to inspect

the conduct of all subordinate officers in the government thereof, and as far as in his power to cause all negligence, carelessness, and positive violation of duty to be duly prosecuted and punished. He shall have power, whenever in his judgment, the good of said city may require it, to summon meetings of the board of aldermen and common council, or either of them, although the meeting of said boards, or either of them may stand adjourned to a more distant day. And it shall be the duty of the mayor, from time to time, to communicate to both branches of the city council all such information, and recommend all such measures as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort, and ornament of the said city.

More especially they shall have power to make all such needful and salutary by-laws, as towns by the laws of this commonwealth have power to make and establish, and to annex penalties, not exceeding twenty dollars, for the breach thereof, which by-laws shall take effect and be in force from and after the times therein respectively limited, without the sanction or confirmation of any court, or other authority whatsoever: *Provided*, that such by-laws shall not be repugnant to the constitution and laws of this commonwealth;² *And provided also*, that the same shall be liable to be annulled by the legislature thereof. or authorized to assess and grant money, and also for all ^{1822, 85.} purposes, for which county taxes may be levied and assessed so long as the town of Chelsea shall not be liable to taxation therefor; *Provided, however,* that in the assessment and ^{Provisi.} apportionment of all such taxes upon the polls and estates of all persons liable to contribute thereto, the same rules and regulations shall be observed as are now established by the laws of this commonwealth, or may be hereafter enacted, relative to the assessment and apportionment of town taxes. The said city council shall also have power to provide for the assessment and collection of such taxes, and ^{Collection of taxes.} to make appropriations of all public moneys, and provide for the disbursement thereof, and take suitable measures to ensure a just and prompt account thereof; and for these ^{Assessors to be chosen.} purposes, may either elect such assessors, and assistant assessors, as may be needful, or provide for the appointment or election of the same, or any of them, by the mayor and aldermen, or by the citizens, as in their judgment may be most conducive to the public good, and may also require of all persons entrusted with the collection, custody, or disbursement of public moneys, such bonds with such ^{Bonds, &c., may be required.} conditions and such sureties, as the case may in their judgments require.

¹ The city council are the agents and trustees of the inhabitants of Boston, with a limited authority; they can perform no act in the execution of their trust, unless warranted by some general or special law of the commonwealth, either in express terms or by reasonable inference. The general authority of towns to raise money by the assessment of taxes on the inhabitants, was given by the statute of 1785, ch. 75, § 7, "for the settlement, maintenance and support of the ministry, schools, the poor, and other necessary charges arising within the same town," the most of which provision is re-enacted in the Revised Statutes, ch. 15, § 12. The only difficulty in the construction of this provision has been as to what are "other necessary charges," for which towns are authorized to raise money. Upon this point there have been several decisions. In the case of *Stetson v. Kempton*, (13 Massachusetts Reports, 272,) it was held, that towns have no authority in time of war and hostile invasion, to raise money to give additional wages to the militia and for other purposes of defence. The court say, that the erection of public buildings for the accommodation of the inhabitants, such as town houses to assemble in, and market houses for the sale of provisions, may also be a proper town charge, and may come within the fair meaning of the term *necessary*, for these may be essential to the comfort and convenience of the citizens. But it cannot be supposed

City Council

the appointment
of city officers.
1821, 110, § 16.

XXV. The said city council shall have power, and they are authorized to provide for the appointment or election of all necessary officers, for the good government of said city, not otherwise provided for ; to prescribe their duties, and fix their compensation, and to choose a register

that the building of a theatre, a circus, or any other place of mere amusement, at the expense of the town, could be justified under the term *necessary town charges*. Nor could the inhabitants be lawfully taxed for the purpose of raising a statue or a monument, these being matters of taste and not of necessity ; unless in populous and wealthy towns, they should be thought suitable ornaments to buildings or squares, the raising and maintenance of which are within the duty and care of the governors or officers of such towns. In *Allen v. Inhabitants of Taunton*, (19 Pick. Rep. 485,) it was held, that a town is authorized to appropriate money for the repair of fire engines used for the purpose of extinguishing fires therein, whether they belong to the town or were purchased by private subscription ; and in the case of *Hardy v. Inhabitants of Waltham*, (3 Metcalf's Rep. 163,) it was held, that a town has authority to appropriate money for the construction of reservoirs for water to supply fire engines. In the case of *Spaulding v. City of Lowell*, (23 Pick. Rep. 71,) it was held, that cities and towns in this commonwealth, by virtue of their general powers, have authority in their corporate capacity, to build a market house, to appropriate money therefor, and to assess the same upon the inhabitants. " To bring any particular subject," the court remark, " within this description of necessary town charges, it must appear to be money necessary to the execution of some corporate power, the enjoyment of some corporate right or the performance of some corporate duty, as established by law, or *long usage*." A town has no authority to raise money to aid in the construction of a road which by law is to be made at the expense of the county, and consequently a tax laid by the town for the purpose of collecting the money is illegal and void. A vote by a town appointing a committee to appropriate money for constructing such road, is an illegal and void act ; and a contract for constructing it entered into by the committee in behalf of the town, will not be binding upon the town. *Parsons v. Inhabitants of Goshen*, (11 Pick. Rep. 396.) A town has authority to provide for the support of a public clock, and to assess the expense thereof upon the inhabitants of the town. *Willard v. Inhabitants of Newburyport*, (12 Pick. Rep. 227.) A town is authorized to indemnify its officers, against any liability which they may incur in the bona fide discharge of their duties although it turn out that they have exceeded their legal rights and authority. *Nelson v. Milford*, (7 Pick. Rep. 186.) *Bancroft v. Lynnfield*, (18 *ibid*, 566.) By the act of 1847, ch. 37, whenever any city or town shall have voted to raise by taxation, or by pledge of its credit, or to pay over, from moneys in its treasury, any sum or sums of money, for any other purpose or purposes, than those for which it may have the legal right and power so to do, the supreme judicial court is authorized to interfere and prevent the same, upon the suit or petition of any ten inhabitants of such city or town who are liable to be taxed therein.

The city council also shall have the care and superintendence of the public buildings, and the care, custody, and management of all the property of the city, with power to lease or sell the same, except the Common and Faneuil Hall, with power also to purchase property, real or personal, in the name, and for the use of the city, whenever its interest or convenience may in their judgment require it.

FIRE ALARM TELEGRAPH.

Central Office, No. 8 City Building, Court Square.

Superintendent, Moses G. Farmer. Salary \$100 per month. [Appointed by Joint Special Committee of the City Council.]

Operators.—George H. Burnham, R. H. Shapleigh, Sylvester M. Brooks, Henry Edson. [Salary \$2.00 per day.]

A constant watch is kept at the Central Office night and day. Each operator is on duty four hours. Two persons are required to be about the office at all times for safety, in case of accident to any of the machinery, or sudden illness of the attending operator.

No operator is permitted to sleep during his watch, unless expressly relieved by some one else.

Each operator is accountable to the Superintendent for any omissions or mistakes that may occur at the Central Office during his hour of duty.

An accurate account is kept of the time of giving each alarm, and of the District and Station from whence it originates.

Alarms are transmitted to the Central Office from the Signal Stations or Boxes by turning the crank in the Box. The Police, Watch,

and a person resident near each Box, have each a key to the Boxes.

Alarms are usually given in *less than a minute* from the time the crank is turned in any Box, which is done in accordance with the following directions:—

DIRECTIONS TO THOSE WHO HOLD SIGNAL KEYS.

1. If a fire is discovered in your vicinity go to the nearest box *in the District*.
2. Turn the crank *twenty-five times*, rather fast at first, then quite slowly at last. If convenient, wait at the box so as to direct the Firemen where to go.
3. If you hear no reply at the box, or on the bells, turn again. If still no reply, go to another box in the District.
4. The Watch, upon hearing the bells, will spring their rattles and call the number of the District.

The alarms will be given from the Central Station by striking the number of the District on the bells, and tapping the number of the Station in the boxes.

CAUTIONS.

1. Be sure that your box is locked before leaving it.
2. Never open the box or touch the apparatus except in case of fire.
3. Never let the key go out of your possession, unless called for by the City Authorities.

CATALOGUE
OF THE
GOVERNMENT
OF THE
CITY OF BOSTON,
IN CHRONOLOGICAL ORDER OF THEIR SERVICE,
FROM ITS
INSTITUTION, MAY 1, 1822, TO JANUARY 1, 1853.
WITH AN
INDEX.

PRELIMINARY REMARKS.

During thirty municipal years, one being but eight months, when the time of the City election was changed in 1825, one hundred and fifteen citizens have served as *Aldermen*, forty-one have deceased, two while in office. Of this number, forty-three have served one year; forty, two years; fourteen, three years; seven, four years; six, five years; three, six years; one, eight years; one, eleven years.

IN THE COMMON COUNCIL,

Seven hundred and twelve citizens have served since 1822. Of whom one hundred and thirty-six are deceased, six while in office. Fifty-two have represented two wards, and two citizens have represented three wards.

NOTE.

The asterisk denotes the deceased.

The Junior of Theodore Lyman omitted in 1839. See Mayors.

ALDERMEN.

George Blake, re-elected for 1826, declined.

John Stevens, elected for 1832, died prior to the organization.

James Savage, elected for 1834, declined.

William Parker, elected for 1845, resigned.

George E. Head, elected for 1848, resigned—having been chosen one of the Principal Assessors.

COMMON COUNCIL.

William Bowes Bradford, Ward 3, elected 1822, did not qualify himself, declining to be sworn, there being then no provision for affirmation, except for Quakers.

Lucius Manlius Sargent, Ward 6, elected for 1827, declined.

Henry D. Gray, and Isaac Harris, Ward 1; Eleazer Howard, Ward 2, and Joseph H. Thayer, Ward 9, elected for 1828, also Holmes Hinckley, Ward 11, for 1845, declined prior to the organization.

Samuel Thaxter, Ward 6, elected for 1830, declined.

William Foster, Ward 6, elected for 1831, declined.

John Bowles, Ward 3, re-elected for 1838, declined.

The Junior of George Morey, omitted 1829.

Asa Adams, Ward 3, took the intermediate name of Perry, 1830.

The Junior of Joshua Seaver, Ward 6, omitted 1833.

The Junior of Henry Fowle, Ward 2, omitted 1837.

The Junior of Francis Brinley, Ward 10, omitted 1838.

The Junior of Ezra Lincoln, omitted 1851.

Washington P. Gragg, Ward 4, spelt Gregg since 1836.

There have been six successfully contested Elections.

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed, was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket; adjournment of the meeting by the sole authority of the Warden, and other irregularities at the annual election, December 8.

The third case, March 7, 1839, vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to effect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December 14, on the ground that four votes for non-resident candidates, (after having been first thrown out by the Ward officers,) *were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council, declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members from Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held.

The election of Mayor for 1845, was more warmly contested than on any former year. There were not less than eight several ballotings by the citizens. At the eighth trial, on the 21st of February, Thomas A. Davis was elected.

In the meantime, from January to February 27, 1845, William Parker, one of the Aldermen, having been elected Chairman of the Board of Aldermen, performed the duties of Mayor.

On the 6th of October, Thomas A. Davis, being in declining health, resigned the office of Mayor, which resignation, however, was not accepted by the City Council, and on the 22d of November he died, being the first Mayor who has died in office, since the organization of the City Government in 1822.

* This fact was admitted, though not stated in the report of the Committee.

On the 11th of December, Josiah Quincy, jr. ' was elected Mayor, by the City Council, for the unexpired term of 1845.

Benson Leavitt, one of the Board of Aldermen, acted as Chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

In 1851, Benjamin Seaver, having already been elected an Alderman of the City, was afterwards chosen Mayor.

At the commencement of the ensuing municipal year, 1852, he resigned as an Alderman and accepted the office of Mayor.

In 1853, Lyman Perry, Esq., who had been duly elected an Alderman, died before his qualification.

At the Municipal Election in 1852, *nine* Aldermen had a majority of ballots—but, in accordance with the statute, the eight who had the highest number of votes were declared elected.
